

# MONTE DAS HERDADES

---

*Montes das Herdades is a traditional property located in beautiful Alentejo, the last still unknown paradise in southern Portugal. The olive trees, flourishing in its sunny and fertile valleys, are tended with enthusiasm, dedication and love.*

*The olive oil is produced using only the best olives from the organic olive trees that grow on the property. The harvest is done through manual selection of the olives, giving the Monte das Herdades olive oil a truly unique personality. Here there is no hurry, the olive oil is given time to reach its maximum exponent.*
